Dear Bryan,

Thank you for your letter & updating us on your current & recently started sport & exercise business it all sounds very interesting. You'll be very pleased to hear the Baron Hill boys won the Anglesey Team Championship & the Ynys Môn Team championship & finished a creditable 5th in the SWALEC Welsh Inter counties Team challenge at Builth Wells last month. For such a young team this was a marvellous achievement & your support in the sports psychology will have helped greatly. I have also nominated the Baron Hill junior boys for an award at the Ynys Môn Count Council Sports Awards evening later this month.

We would like to continue with the university's support this year as it was of great benefit to the boys last year & your input certainly enabled them to have a positive approach mentally & physically to their chosen sport of golf.

Thank you again for the voluntary work you did with the boys as part of your university dissertation it was greatly appreciated not only by the boys but also by Randall & myself. We wish you all the very best in your new venture & can only thank you for all the hard work & effort you put into providing the sports psychology sessions for the group of junior boys from Baron Hill Golf Club.

Kind regards,

Elizabeth Youren
